

APPAREL SIZING NIGHTS

We are ready to launch the 2022/2023 season apparel catalogue and sizers are now in! We are planning on running a few apparel sizing nights as we did last year but with a few changes. We are hoping to have team appointments after scheduled practices so we can try and streamline the process and be able to dedicate some time with each team directly. During those times we will try and size only the players and coaches from the team(s) scheduled in that time slot. Teams are welcome to try on multiple pieces if a decision on what the team is buying hasn't been reached yet but it does help to narrow down the choices as it does take some time to work through a whole team.

Sizing will take place upstairs behind the stands in the Athabasca Arena.

Here is our tentative schedule for the times we will be available to size each team:

TEAM MANAGERS: Please contact Stitch 'N Time to confirm if the allotted time will work for your team, you can call 7807062554 or email tessa@sntpromo.com.

Tuesday Oct. 11
